## Hitachi in Australia and New Zealand

Social Innovation Business brings together capability across the Hitachi Group's network to build a safer, more sustainable world.

The breadth and depth of our Australian and New Zealand network means we're best positioned to deliver performance enhancing green and digital solutions that enable our

clients to respond to a wide range of social and environmental issues. By harnessing our group's expertise, we are committed to delivering social innovation at scale.

### **A** **Hitachi Australia**

Hitachi Australia is the regional headquarter of Hitachi Ltd in Japan, offering a suite of products and services across various sectors including healthcare, social infrastructure and transport. Hitachi Australia coordinate the capabilities within the several different businesses from Hitachi global operating in Australia.

### **B** **Hitachi Energy**

Hitachi Energy is advancing a sustainable energy future for all by pioneering technologies and enabling the digital transformation required to accelerate the energy transition towards a carbon-neutral future.

### **C** **Hitachi Rail STS**

Hitachi Rail is connecting the future of mobility by creating reliable and sustainable transport solutions that ease urban mobility, increase the capacity of established inner city rail lines and provide seamless support to expand service availability for fast-growth regional centres.

### **D** **Hitachi Vantara**

Hitachi Vantara is turning businesses from data-rich to data-driven through agile digital processes, products, and experiences and delivering intelligent data platforms, infrastructure systems, and digital expertise.

### **E** **Hitachi Global Air Power**

Hitachi Global Air Power is a global leader in oil-free and oil-injected air compressors and accessories, delivering robust, reliable and energy efficient compressed air solutions that are fit for Australian and New Zealand conditions.

<sup>1</sup>Number of employees as of March 31 2022 <sup>2</sup>Number of consolidated subsidiaries as of March 31, 2022

<sup>3</sup>The figure is based on Hitachi Group's revenue in FY2021. Hitachi Construction Machinery and Hitachi metals (current Ptotrial, Ltd) were deconsolidated in FY2022.
