Home and life solutions

People have always thought of consumer products as being for a single purpose.

Hitachi Home and Life Solutions are engineering a new phase of product development – one where consumer products are interactive and serve multiple purposes.

As the evolution unfolds consumer products will begin to incorporate digital, network and sensor technologies. These products will become more and more incorporated into every day life, creating an entirely new level of relationship between people and their products.

We are changing the shape and quality of people's lifestyles while positioning Hitachi as a cutting edge brand that leads future development and is the global brand of choice.

Air Jet DRY

Dry like the wind

- Clothes are generally dry same day
- The air is not heated, so won't damage your clothes like a tumble dryer can
- Lightweight items can generally be removed, ironed and worn

AIR JET DRY

The Air Jet Dry system represents another world first from Hitachi. This advanced technology revolutionises the humble top loading washing machine, to create a washing machine that not only gives your clothes a superior clean but assists in drying your clothes as well.

Air Jet Dry simply uses room temperature air to dry most clothes while inside the washing machine. Air is sucked into the centre of the washing tub at high power. It then spirals up and around the inner wall of the tub where at the top it then mixes with fresh air being sucked in to continue the cycle.

Clothes are left dry, undamaged, tangle-free and ready to wear.

WASHER RANGE

Air Jet DRY

SF-P90CJ

- 9.0kg Capacity Air Jet Washer
- Powerful 900rpm Quick-Dry
- Stainless Steel large capacity Tub
- 51cm Wide Tub
- New Air-In Flap
- 8 Program Cycle
- Speedy Wash Cycle
- Spin Speed 900rpm
- 12 Level Water Selector
- Wide Pulsator
- Fuzzy Logic Control
- 24 Months In-Home Warranty*

SF-P80CJ

- 8.0kg Capacity Air Jet Washer
- Powerful 900rpm Quick-Dry
- Stainless Steel Large Capacity Tub
- 51cm Wide Tub
- New Air-In Flap
- 8 Program Cycle
- Speedy Wash Cycle
- Spin Speed 900rpm
- 12 Level Water Selector
- Wide Pulsator
- Fuzzy Logic Control
- 24 Months In-Home Warranty*

The high quality, fibreglass tub ensures superior durability while the lightweight material improves balance and energy efficiency.

Front Loader

SMART CHIP

AUTOMATIC WATER CONSUMPTION CONTROL

Automatic water consumption control calculates the specific water level required for the amount and type of fabrics, saving water and energy with every wash.

BALANCE CONTROL

Automatically controls the tub and drum stability in every spin. This special system creates uniformity within the drum ensuring clothing is evenly distributed to create perfect balance and near silence when spinning.

FOAM CONTROL

This system also measures and controls the amount of foam created during the rinsing process. Excess foam is washed away with additional rinse cycles.

*In-home warranty applies to major metro areas only.

† 4A Water Conservation Rating for 1200rpm model still pending.
Check with your Hitachi dealer for further updates.

- Available in 1200rpm and 800rpm
- 6.5kg Capacity Front Load Washer
- 4A Water Conservation Rating†
- "Smart Chip" Fuzzy Control Technology
- 15 Automatic Programs
- Adjustable Temperature Control
- Stainless Steel Drum
- Tough and Corrosion Proof Body
- 30cm Wide Loading Door opens up to 180 degrees
- Quick Wash Program
- Balance Control
- Suds Control
- Automatic Water Consumption Control
- Extra Rinse Program
- Special Program to Cancel Spin Cycle for Delicate Fabrics
- Easy to Install
- 24 Month In-Home Warranty*

Twin Tub

PS70P

- 6.0kg Capacity
- High Speed Spin
- Liquid Balancer
- Wide Pulsator
- 5 Water Select Levels (56L, 49L, 42L, 35L, 28L)
- Spin Dry Timer
- 2-way Wash Action (Soft / Normal)
- Recyclable Water Function
- Rust Resistant
- Dust Cover
- Corrosion Proof Body
- 12 Months In-Home Warranty*

PS99BSP

- 8.0kg Capacity
- New Wide Body Design
- Stainless Steel Spin Tub
- Wide Pulsator
- Soak Timer
- 3 level Water Level Selector (77L, 55L, 40L)
- Spin Dry Timer
- 4-way Wash Action (Soak & Soft / Soak & Normal / Soft / Normal)
- High Speed Spin Power
- Liquid Balancer
- Dust Cover
- Corrosion Proof Body
- 12 Months In-Home Warranty*
