

R-V660PT7

601lt Top Mount Freezer INVERTER Refrigerator
STYLISH DESIGN SERIES

Features

- 601lt Capacity
- Top Mount Freezer
- INVERTER refrigerator
- Only 392kWh per year power consumption
- Warranty: 5 Year Parts & Labour Warranty (Additional 5 Years Parts Warranty on the Inverter Compressor)
- LED Lighting
- Tempered Glass Shelves
- Dual Fan Cooling to refrigerator & freezer
- Big Moisture Guard Vegetable Compartment
- Dual Sensing Control (Eco-Thermo Sensor)
- Nano Titanium Filter
- Mould proof Door Gasket
- No Frost
- CFC-Free
- HFC-Free
- Movable Twist Ice Tray
- Finishes: Brilliant Silver

INVERTER
 X
Dual Fan Cooling

High Power Inverter Compressor

Capable of providing exceptionally powerful cooling by generating a large volume of chilled air, as well as efficient low power cooling with microcomputer control.

Illustration purpose only. Compressor may differ in actual production.

Dual Fan Cooling

Dedicated fans for each of the Refrigerator and Freezer Compartments to provide optimal cooling in both compartments, something a single fan refrigerator cannot do.

Dual Sensing Control

Hitachi Refrigerators have two Eco Thermo Sensors, which detect any temperature changes separately to enable the ideal temperatures to be maintained in each of the compartments at all times. If a refrigerator has only one sensor, which is usually in the refrigerator compartment, temperature changes in the freezer due to various factors can't be detected and stored items won't be properly frozen. Having an additional sensor also in the freezer ensures that won't happen and every item that is stored in each compartment is kept in optimal condition.

R-V660PT7BSL

R-V660PT7BSL Interior

Movable Twist Ice

You can move the ice tray for more convenient and efficient use of storage space.

Bright, Energy Saving LED Light

Refrigerator & Freezer compartment features LED lighting that lasts a long time and consumes much less energy than conventional lamp.

Tempered Glass Shelves

Scratch-proof and heat-resistant, the tempered glass shelves can even hold up to 100kg* each.

*Weight resistance of tempered glass

Mould proof Door Gasket

Thanks to Hitachi's mould-proofing treatment, the door gasket can be cleaned easily.

Touch Screen Controller

Flat glass panel controls let you change the settings with a simple touch, and a wipe is all it takes to clean the tempered glass surface.

Double-Deck Storage

Flexible storage draw for Vegetables (approximately 5degC) and Meat or Cheese (Approximately 1degC).

Optimal High Humidity with the Moisture-Guard

Moisture-Guard on top ensures indirect cooling to maintain the optimum moisture level on the vegetables.

Fresh Select

The Select Lever lets you adjust the inside temperature by switching between the two modes.

*All display functions illuminated as an example. Actual display differs depending on the settings selected.

Capacity: 601L

Freezer: 174L | Refrigerator: 427L Dimensions:

1,835(h) x 855(w) x 740(d) mm

Cabinet Depth (without Door): 640mm

Dimensions (mm)

Space required for ventilation.
